BLENDING KIOSK™

Instant POP from Vita-Mix®

The Vita-Mix Blending Kiosk is the perfect point-of-purchase display to help increase frozen drink sales and profits. The POP display is ideal for coffee and smoothie shops where space is limited and attention to frozen drinks is desired. The patented insulated foam core display keeps a Vita-Mix machine,* 2.5 gallons / 9.5 liters of ice and extra containers together to save counter space and increase service speed. Two-sided, water-resistant graphic features smoothies or frozen coffee for attractive and colorful signage. Customized graphics are also available. Profitable. Convenient. Attractive. **Advantage: Vita-Mix.**

*Vita-Mix Blending Station®, Drink Machine and BarBoss® blenders can be used in the display.
